

Recommend Us

At **Tempus Systems** we believe in saying thank you to anyone who provides us with new business. Therefore, if we were to receive a lead that eventuates into a sale, we will reward the source of that lead with 10% of the net total of the '*equipment*' invoiced. To qualify for this commission the following criteria must be met:

- 'The source' must not be employed by or have any association with the purchaser
- 'The source' cannot be the purchaser
- The purchaser must not be an existing customer of Tempus Systems Ltd
- 'The source' must notify **Tempus Systems** of their intension to receive commission at the time the lead is supplied
- 'The source' may only claim commission for the initial lead. Commission will not be granted on maintenance contracts and any successive sales
- 'The source' must provide precise information regarding the purchaser, including a contact name and telephone number
- 'The source' does not expect or request any commission until the equipment is completely installed and payment is received from the purchaser
- 'The source' does not attempt to influence the price of the sale
- 'The source' provides **Tempus Systems** with a written invoice for the total amount of the commission. The invoice must include your name, address, telephone number, net total and VAT (if applicable)

We look forward to hearing from you.....
